Structural Analysis for Design utilizes the latest Methodology.

Heavy Reinforced Cement Concrete Foundation

Systematic Structural Combination of Steel Reinforced

Concrete Frame and Shear wall Core.

Floor Slabs all Reinforced Cement Concrete.

Sub-Soil Investigation and Soil Composition comprehensively analyzed.

Comprehensive Checking and Testing of all steel reinforcement by professional Design and Supervising Engineers.

All Structural Materials including Steel, Cement, Bricks, Syhlet Sand and other Aggregates etc. of highest available standard and screened for quality.

Direct Supervision at every stage of construction by a team of experienced and qualified Civil Engineers to ensure Highest Quality of Workmanship.

Systematic Testing of concrete and other completed work samples at every stage from Quality Control Laboratories.

Protection from Cyclone Winds upto prevalent speeds incorporated in structure design.

Structure designed to withstanding Earthquakes of prevalent intensity.

RAJUK & BNBC guide line shall be followed in all kinds of design.

MAJOR STRUCTURAL MATERIALS

Steel

Deformed Bar, 60 Grade

Manufactured by : RSM/ SSML/ Rani Steel

Cement

Manufactured by : Primer Cement/ Aman Cement / Fersh Cement

Aggregates

Stone Chips for all Columns & Foundations.

High Strength Chips in Others works (Machine Crushed, Dust free).

Bricks

First Class Bricks / Solid Block

Sand

2.5 FM Coarse Sand

1.5 FM Medium

Birds Eye View

General Terms & conditions

Application:

Application for allotment of Flat should be made by application, duly signed by the application along with the Booking money and necessary documents. Preference will be given to buyers willing to make full payments at a time or payments in fewer installments than the schedule. The company reserves the right to accept or reject any application without assigning any reason whatsoever.

Payment:

The buyer will make the payment as per payment schedule in A/C payee cheque, bank draft or pay order or cash in favour of **Monopoly Holdings Ltd.** Payment from overseas in US dollars or Euro will be calculated at the prevailing official conversion rate to Bangladeshi Taka on date of receipt of payment.

Delay in payments:

The Allottee undertakes to pay delay charge at the rate of 0.1% per day on the amount delayed beyond the due date. If the delay in payment exceeds 45 days, the company has the right to cancel the allotment without any notice to the allottee in such case buyers deposited amount will be refunded after the same apartment is sold to a new buyer and also an amount of Tk. 1,00,000/- will be deducted from the buyers deposited amount as service charge.

Force majeure:

The Completion period of the construction of the project can be affected by unavoidable circumstances beyond the control of **Monopoly Holdings Ltd.** such as natural calamities, riots, political disturbance or any other act of God, material scarcity or abnormal increase in price of materials due to industrial unrest etc. changes in the fiscal policy of the Govt. etc.

Documentation Cost:

The buyer will pay stamp duties, registration fees, taxes, legal and govt. charges, VAT and other miscellaneous expenses likely to be incurred in connection with the registration of the deed.

Incidental Cost:

Connection charges/fees, security deposits and other incidental charges/expense, relating to gas, water sewerage and connection etc. are not included in the apartment cost. The buyer will make for all the utilities and service connections.

Possession:

After full payment of installment and other charges the possession of each apartment shall be handed over to the buyer. Until the dues are clear, Possession of the apartment will be held up by the company.

Owners Association:

The buyer must undertake to become a member of the owners association, which will be formed by the owners of the apartments with the view to maintaining the general affairs of the complex for common interest. Each apartment owner must initially deposit Tk. 50,000/- (Taka Fifty thousand only) to the reserve fund before over of apartments.

Monopoly Holdings Right:

The developer reserves the right to make any alteration, addition, revision of the total or any part of the architectural and structural design or working drawing or limited change can be made in specification for overall interest of the project without any prior notice to the buyer or any legal authority.
